Thank you for your help.

- **THANK YOU!!!!** Thanks so much to the many volunteers that made the 2016-2017 Back-Pack Program a success! Your love of the children served and their needs truly makes a difference in today's world and provides a great example for others as we search for ways to show our Christian faith as a reflection of God in our hearts. Praises go out for your support and prayers that you will re-join the effort (with even more helpers) once school starts back up again. Thanks again -- your Missions Committee.
